

REALITY

BREAD 2026

As you participate in the practice of reading the scriptures daily over this next year, we pray that you would encounter the living God through His living text. That you, being rooted and established in love, have power, together with all the Lord's holy people, to grasp how wide and long, and high and deep is the love of Christ.

Below you will find our modern take on Lectio Divina: an ancient approach of prayerfully engaging with Scriptures in order to hear God's personal word to you. In each movement of BREAD, we encourage you to be present to the Spirit, because what we seek is not simply information, or even motivation, but communion and union with God.

Be still

Find a place where you can encounter God, ask him to fill the space, and then take a moment in stillness. Fix your eyes on Jesus and invite the Holy Spirit to guide your time.

Read

Read through the passage for the day with an open mind and heart allowing the words to settle into your being. Reread the passage again slowly. Ask a few questions as you reread. You can find these in the How To Use This Journal section.

Encounter

Taking your chosen verse, begin to meditate on it. What comes to mind and how does it make you feel? What do you think God is trying to reveal to you through this verse? Allow him to speak to your heart and mind.

Apply

Now, turn your focus outward; think about how you might be able to apply this to your day. Write down the one thing you're going to try and live out.

Devote

Finally, close by writing a simple prayer of devotion to God. Ask God to fill you afresh and commit your day to him.
