

Make Us One [E]

[Madsen] by GK Chesterton, Tyler Madsen, Kevin Embleton

Verse 1:

E **A** **C#m** **B**
O God of earth and altar, bow down and hear our cry,
E **A** **C#m** **B**
Our earthly rulers falter, our people drift and die;
C#m **A** **E** **B**
The walls of gold entomb us, the swords of scorn divide,
E **A** **E** **B** **E**
Take not thy thunder from us, but take away our pride.

Verse 2:

E **A** **C#m** **B**
O God of star and marrow - of throne and crown and skin
E **A** **C#m** **B**
Release us from each Pharaoh that's o'er and that's within
C#m **A** **E** **B**
The pit of greed deceives us - makes enemies of kin
E **A** **E** **B** **E**
Wage war on what enslaves us; bring vict'ry to our sin

Chorus:

A **E** **B**
Make us one as You are one - Holy Father, Spirit, Son
A **E** **B**
In our lives Your will be done - In our world Your kingdom come
F#m **A** **E** **B**
Oh our Lion, oh our Lamb - Bring Your healing - bring Your plan
A **E** **B**
You said You would and we believe it

Verse 3:

E **A** **C#m** **B**
O God of storm and shadow, You've calmed the seas before
E **A** **C#m** **B**
Deliv'r us from this battle now safely to the shore
C#m **A** **E** **B**
The waves have risen higher - beyond my reach of faith
E **A** **E** **B** **E**
Through darkest deep, through fire, Your promise makes a way

Chorus:

Verse 4:

E **A** **C#m** **B**
O God of our tomorrow - the author of our days
E **A** **C#m** **B**
Come meet us in our sorrow and resurrect our praise
C#m **A** **E** **B**
Bind up the broken-hearted, transfigure our dismay
E **A** **E** **B** **E**
You'll finish what You've started and wipe our tears away
