Chorus:

A Honestly, why's it so hard? **C#m** To cut through the noise and

A Speak now, set it all straight **E**
Bsus Answer, and show us the way **B**

Verse 2:

B There's a mob in the streets - **A** Guns drawn they sing, **E**
E "God is love" and "God loves me"
B But actions they speak - **A** louder than words **E**
B Calling on a higher power from a red, blue and ivory tower **A**
E Chasing a reaction - Where's the compassion?
B Jesus, why you on a flag? **A** Doesn't this make you mad?
